I love to drive in a car. I like to drive on the road or take a bus. I really like to go by plane. It is fast and doesn't take long. I don't like to go by boat. It is too slow.

If I go to cold places I need to buy a warm coat. It is cold in some places in the United States and England in the winter. I have to get a passport when I travel outside of Israel. I also need a visa. When I arrive in the United States I give a man the passport. He checks it to see if it is okay.

When I arrived back to Ben Gurion Airport the last time at five in the morning, the man checked the passport. He said, "You need a passport. This passport is old. You can't travel with this passport." Now I have to get a new (חדש) passport. Help me!
