A Bike Ride

They plan to bring a lot of food (אוכל).

"I get hungry on bike rides," said Yehuda.

"Let's run to the store and buy snacks and candy," Dani said.

"OK, but let's get things to make us strong. We must get potato salad, and tomato salad. We must get tuna (טונה) fish in a bun (לחמנייה). We must get apples and grapes. We mustn't take too many snacks, and most important, let's take a lot to drink," Yehuda said. They put full bags on the bikes.

"OK. You and I must not be careless. We must be careful to come back before dark," Dani said.

They ride happily for a long time. They ate all their food. Finally, at 5 o'clock, they are still riding. It is getting late. There is a cliff, so they stop close to the cliff.

"Dani, I am so hungry," Yehuda said.

"There is no more yummy food," Dani said. "You and I must go home fast. It is getting dark. It isn't safe to ride in the dark."

So Yehuda and Dani ride home fast. They don't come home late.

They are so hungry. Yehuda's Ima has hot Yerushalmi kugel for the kids.

"Thanks for the yummy kugel," they said.
