Different Ways (דרכים שונות) to Study

Itsik and his friends have to study for an important English exam. They want to do their best on the exam. The friends like to study and practice in different ways. (דרכים שונות)
 Yedidya likes to study alone. His ima gives him many snacks so he can have them as he is studying. He has a desk lamp to help him study. He wants to get a high grade on the exam.
 Netanel likes to study alone the night before the exam. He says he can do his best that way.

Yisrael likes to study with some friends at his home. He studies with six friends. They have a lot of snacks. They help their friends do well. They go to bed late but not very late. Yisrael's abba advises them to stop for the night. They need rest before the exam. Shai is one of the friends that is studying with Yisrael. Itsik loves to study and practice English with the six friends at Yisrael's home.
 Natan went to study with Yisrael at night. His ima doesn't like it if he goes to bed when it is very late. So, Natan went home before the friends finished (גמרו).

Binyamin likes to study with one friend, not with six or seven friends. That is a lot for him. He likes to study with Eli. They don't just study the night before the exam. They study every day for seven days before the exam. They study sixty minutes each day. They both get high grades on the exam.
 Eli likes to study with Binyamin. They do very well on the exam. They get everything right.
